THE NAUTILUS

"Build thee more stately mansions, O my soul,
As the swift seasons roll! Leave thy low-vaulted past!
Let each new temple, nobler than the last
Shut thee from heaven with a dome more vast,
Till ɔɔ thou ɔɔ at ɔɔ length ɔɔ art ɔɔ free,
Leaving ɔɔ thine ɔɔ outgrown ɔɔ shell
by ɔɔɔ life's ɔɔɔ unresting ɔɔɔ sea!"

ROOSEVELT'S FIRST ANNUAL
EDITED BY THE CHRONICLERS

Fresno, California

THE NAUTILUS

William A. Otto, *Principal*

FOREWORD

WHEN DREAMS COME TRUE, A LOVELINESS SEEMS TO RISE ABOVE THE HORIZON OF AMBITION AS THE "ROSY FINGERED DAWN" OF EARLY MORNING RISES IN ALL LOVELINESS ABOVE THE HORIZON OF EARTH.

AND NOW THAT "THE NAUTILUS" HAS APPEARED, DEPICTING IN CONCRETE FORM THE STRUGGLES AND ASPIRATIONS OF ROOSEVELT HIGH SCHOOL, WE ALL RISE WITH ONE GREAT SHOUT TO PROCLAIM THAT WE ARE PROUD THAT

THE GLORIES OF OUR ALMA MATER

*THE DELICATE BEAUTY OF THE SPIRIT OF ROOSEVELT * * * **

*THE HOSPITALITY AND FRIENDLINESS OF A DELIGHTED STUDENT BODY * * * * * * * * * * **

HAVE BEEN MADE VISIBLE IN THIS--OUR FIRST "THE NAUTILUS."

SO ALL HAIL THE PRESENT CULMINATION OF OUR ASPIRATIONS. AND AGAIN, ALL HAIL THE BUILDING OF EVER GREATER AND "STATLIER MANSIONS" AS YEAR BY YEAR THE SOUL OF ROOSEVELT EVOLVES "AS THE SWIFT SEASONS ROLL".

IN THE TIME THAT IS TO COME, MAY WE ALL--PRESENT and FUTURE GENERATIONS OF ROOSEVELT--STRIVE FOR THAT "NOBLER THAN THE LAST" UTTERANCE IN THE COMING EDITIONS OF "THE NAUTILUS".'

LET US GIVE GREAT HONOR TO THAT FACULTY MEMBER AND THAT GROUP OF STAFF OFFICERS WHO, PATIENTLY, STEADFASTLY, AND TRIUMPHANTLY STEERED "THE NAUTILUS" TO SAFE LANDING WITHIN THE HARBOR OF ROOSEVELT HIGH SCHOOL.

With the courage and daring of Roosevelt himself, Roosevelt High School is blazing new trails in putting out its first annual.

APPRECIATION

The Chroniclers herewith voice their deep appreciation of the excellent help tendered them by all those who have assisted in the making of this, our first annual. We feel that special mention should be given Miss Doris Powelson, Vivian Duncan, and members of the art classes for the beautiful art work they prepared. We also extend our thanks to our energetic salesmen, to the patient faculty, and to our subscribers. May the staff of the next Annual be as fortunate!

One memorable day in September 1928, there was launched the good ship "Roosevelt" manned by a strong, steady crew, and captained by Allen Cherry. Under his guidance the ship was carried safely to its port. His successors, Dixie Davis, Donald Fortune, Keagle Davis, and Earnest Foreman, all captained the ship most wisely. Unique in this period was the inauguration of the Student Body Ticket.

In February 1931, the "Roosevelt" docked at her home port, and forty of her passengers, departed. Captain Foreman was replaced by Clarence Linstrum. Many of the passengers were rewarded by letters or pins, for various services rendered. Improvements were made on the athletic field; uniforms and blankets were bought for the team. One of the biggest projects completed was the first Annual. No voyage is ever complete without something by which to remember experiences, so the first edition put out by the Chroniclers supplied the need. The name was "The Nautilus" suggested by Richard Paxton, a Junior High student. When the Roosevelt" docked in June, she lost ninety-nine of her passengers. She then settled into port for a much needed vacation.

"Interesting" is the word that describes the meetings of the Federation during the last year. At Christmas the boys, according to custom, furnished a large Christmas tree for the central corridor. Later, the boys greatly enjoyed the party given them by the Girls' League, and in return gave the girls a barn dance with the atmosphere furnished by bales of hay and other appropriate furnishings. A hilarious time was had by all, and it proved to be a most successful entertainment.

The regular meetings were held each month with the program usually consisting of some well-known speaker of Fresno. These talks were given with the idea in mind of showing the boys various views of business and life.

May the Boys' Federation continue even more successfully in the future than it has in the past!

The desire for a chapter of the Honor Scholarship Federation was realized toward the close of last semester when Chapter 222, at Roosevelt High School, was recognized by the state officials of the Society. Officers were installed at the program which was conducted by Miss Alice Smith, Ex-presidental adviser for the C.S.F. Since its recent creation, delegates have been sent to two conventions, one at Washington Union High School, the other at Leland Stanford University.

Two members of the February Graduating Class, Robert Chatalbash and Allen Cherry, received Life Membership. This semester seven members of the Society were given Life Membership pins. They were Hazel Azadian, Anna Cade, Helen Martin, Margaret Stone, Helen Todd, Edie Watts, and Beatrice Woodbury. On April 17th the Roosevelt members were delightfully entertained by the Fresno High School Society at an informal, "get-acquainted" party held at Fresno High School.

To be a member of the Scholarship Society one must have earned ten points during the preceding semester. Eight points must be earned in curricular studies, while the other two points may be made in extra-curricular activities. A's count three points and B's count one point.

"To create throughout the school, a greater interest in reading, to encourage an intelligent use of the library, and to add books to the library as funds permit" is the purpose of the Librarians' Club, which was organized April 14, 1930, with a nucleus of ten members. Mrs. Ruth C. Morrison was the first sponsor.

The officers elected in the spring of that year filled the same offices the following semester.

Among the social functions given by the club, was a party on January 17, of the same year, for the study hall attendance monitors. On November 22, the club sponsored an open-house day. The new library books were exhibited, and tea was served to the Faculty. The club plans to make this tea an annual affair. A banquet, followed by a dance,was held by the club on March twenty-fifth.

The Pythagoreans were organized in the February, 1930 Trigonometry Class and were sponsored by Miss Paxton during that semester.

A tradition of the club is that it shall automatically be composed of the highest "Math class in the school. This year the Pythagoreans were assumed by the Advanced Algebra Class, sponsored by Miss Bartlett.

The aim of the club has always been to present new forms of mathematics and to make the subject interesting in every way possible by reports, plays, stories, and special problems. Many interesting meetings were held and the annual party made an excellent final for the year's activities.

BOY SCOUTS
Troops 15 and 17

Scoutmasters - MR. STEPHEN WALKER
MR. NORMAN WALSH

Activity seems to characterize the Boy Scouts of Roosevelt quite as much as it seems to characterize the greater part of Roosevelt's students. We are reminded that the Scouts are active when we see them raise the flag every morning; in fact, morning and evening we hear their fan-fare of bugles as we pause to pay respect to our flag. When we saw a Red Cross Drought Relief Tent covered with catchy signs, we expected to see the Scouts in charge; and they were morning, noon, and night.

A quick review of many of the Scout activities would include: policing on Raisin Day, landscaping our bungalows, ushering during Public Schools Week, presenting plays at Courts of Honor, performing at the Scout Jamboree, attending campfire rallies, and attending week-end camps.

These Scouts carry forward the name of the school from which they come, and are looked to when any special work is to be done. The Scout Laws are much the same as the "Rooseveltian Code" which governs all of our actions, and the members of this group live up to each equally well.

Roosevelt can well be proud of such boys as compose Troops 15 and 17.

To promote an interest in tennis, and to create an ideal of good sportsmanship throughout the school is the primary purpose of the Tennis Club. An increasing membership has helped the club to realize these aims.

The entertainments planned by the program committee have been well worth while. Several speakers have been engaged, among whom are: Newton Bramblett, who gave a very interest-talk on tennis strokes, and Bill Lauritzen, who gave a talk on "Court Strategy". During the first part of January, a banquet and dance were enjoyed by the active and prospective members. The Tennis Club closed their year with a box lunch on the lawn followed by a dance in the Assembly Hall on May 20, 1931.

Several interscholastic and intramural tennis tournaments have been held during the two semesters.

After a successful year, this club hopes to have done its "bit" in establishing the interest of tennis.

During the spring semester of 1930, there was created, in this school, a parliamentary law club. Dedicated, primarily, to the study and application of parliamentary law and procedure, and secondly, designed as a forum for the expression of views and opinions pertaining to politics, international relations, and other topics of interest, the club has accomplished much during its short existence.

On the evening of October 14, 1930, the club held an interesting debate. The question was: Resolved, that the City of Fresno should own its water system. The affirmative was upheld by LeRoy Wood and Allen Cherry; the negative, by Robert Chatalbash and Keagle Davis. The decision was rendered in favor of the negative.

The outstanding function of the organization was the successful dance given in the Roosevelt High School auditoriun on the evening of April 17, 1931. The guests were members of the Girls' Parliamentary Law Club, Mr. and Mrs. Wm. A. Otto, Miss Willa Marsh, and Mesdames Lantz, McKelvey, and Tuthill.

On April 28, 1931, the club presented a program to the Senior High Assembly, which consisted of poems by contemporary poets. Each poem was preceded by a short biography of the poet.

The success of the club was due to the loyal co-operation of the members in all of its undertakings.

Vera, who was on her way to the University, sat looking out of the window of the fast moving train. She was thinking of the Girls' Glee Club at Roosevelt, and how it started. It originated in the fall of nineteen hundred twenty-eight, but was not organized until September nineteen hundred twenty-nine. When this club was first started, the girls were divided into two groups, some taking Glee Club first period, and others second period.

The first appearance the girls made was at the dedication of the school, when they sang"Trees". Mrs. Bramblett, as director, accomplished the rather difficult feat of leading two groups that had not been coached together.

The girls have sung in many programs at school, several musicales, and the operetta, "Miss Cherry Blossom". The Glee Club competed in a contest for the Girls Unlimited Glee Club of Fresno County,with the result that a banner was brought home from the preliminaries.

After much deliberation, the girls decided to have a uniform of white pongee with green and gold capes.

Emblems were presented to the club in time to be worn at the Musicale of May tenth, nineteen hundred thirty-one.

THE BOYS' GLEE CLUB

During the year nineteen hundred thirty and nineteen hundred thirty-one the Boys' Glee Club gave performances for our school and other schools under the able direction of Miss Esther Miller. These included the Christmas Pageant, The Musicale, and the May Day exercises at Roeding Park, May third.

The boys' quartet is composed of Clinton Seals, Walton Mariner, Jack Walton, and George Tockstein. There is also a double quartet composed of Clinton Seals, Lee Clark, Walton Mariner, James Morrow, Jack Walton, Hobart Zody, Horace Ballow, and Macie Dudley. These two groups have also contributed to many programs.

STAGECRAFT

Stage Craft: once a clan, now a club. Perhaps there is more work than anything else in school, but some fun is thrown in for good measure when you have such a leader as Miss Doris Powelson for sponsor. The pride in achieving something that large audiences will enjoy makes it well worth our while. As a real class we started with twelve members in February, nineteen hundred twenty-nine. Bill Hoadley, Walton Mariner, Vivian Law, Edna Monck, Francis Connelly, Richard Millburn, and Letha Brown were the pioneers working on our first production "Miss Cherry Blossoms" and are still on the job. Many of our graduates and graduating seniors have helped to put over our plays and pageants. We have this year grown to the large class of twenty-one, "just enough", we'll say. We now proudly boast club standing and a real President.

No one around here knows just where to find any one in stage craft anytime, anyhow, or anywhere. If you look for them on the stage, they are probably in the attic, or on the front lawn painting a back drop or goodness knows where! You never can tell! Did you ever watch Connelly up on the cat-walk resting himself between scenes; or Bill, or Harold in their "dolled-up" smocks for the night performances; or Anna Cade bossing the stage crew; or Walton working like mad when he has to do so, but loving best to boss the rest. These are just some of the side lights on what you'd see if you should peek behind the scenes in Stage Craft.

PARENT TEACHERS ASSOCIATION

Theodore Roosevelt High School Parent-Teachers Association was organized October twenty-six, nineteen hundred twenty-eight. It has grown from a membership of seventy to one hundred fifty three, winning the Fresno City Council 1931 Membership Cup for percentage increase over the previous year.

Among its many activities is the delightful personal contact with the student body of the school, gained largely through the assistance rendered at the school parties. Other outstanding features are the sponsoring of two Scout Troops, work in the Student Aid Department, and membership in the Crippled Children's Society.

HI-Y

The Hi-Y organization had its inception at Roosevelt with Mr. Earl Miller, member of the faculty, as sponsor. Mr. Howard Rennick later became the sponsor. This organization has assisted in various school projects. Also the boys have gone on many pleasure trips. The present officers are Stuart McKelvey, president; Fred Morrow, vice president; Clark Howland, secretary-treasurer; John Silva, yell leader. Mr. Young is the present sponsor.

GIRLS' ORGANIZATION

"A three-fold development of the mind, the body, and the spirit" stands for the Senior Girl Reserve organization of which Fern McPherson, Lorraine Large, and Miss Mabel Kaljian are president, secretary, and sponsor respectively.

The Sesame Girl Reserve group, with a reputation for having a good time and doing worthwhile things, is made up of younger girls, sponsored by Mrs. V. Sporleder. Jane Clancy is President; Posey Clancy Vice President; Cathleen Hansen, Secretary; and Virginia Wallace, Treasurer.

One of the newest groups of Roosevelt Girls was organized by Miss Marsh for the main purpose of discussing subjects of general interest to high school girls. Jeanada Hamilton and Dorothy Frank are the first to take offices of president and secretary.

The Girls' Parliamentary Law Club, an organization but two months old, and started by a group of sixteen girls interested in parliamentary law, under the leadership of Mr. Otto, has completed six important lessons of parliamentary law. They have not, as yet, chosen officers and a constitution, but organization is under way.

"He who seeks to serve another, best serves himself," is the motto of the Excalibur Club. It is the same as that used by the Loyal Knights of the Round Table, who sponsor this organization in our school. We have the honor of being the first junior luncheon club in the valley.

The object of the Excalibur Club is to inspire each member to live a life of loyal service to his God, his country, his school, his fellows, and himself.

To this end, the Club, through fellowship luncheons, seeks to promote a better understanding among the leading students of the school, and to emphasize the fact that loyal, cooperative living is of just as much importance to the school and nation as a willingness to die for one's native land.

DRAMATICS 1930-31

This memory brightens o'er the past
As when the sun concealed
Behind some cloud that near us hangs,

-*Longfellow*

Outstanding among all the Roosevelt activities have been the dramatic productions, under the direction of Mr. Hyde.

The second annual Roosevelt Revue, following the theme of "The Pied Piper of Hamelin", was presented in October, under the able direction of Mrs. Althea Sullivan as chairman.

Bringing joy into the hearts of those who saw her, Pollyanna visited us in November. The "glad girl" who always smiled "tho' clouds o'er-cast the sky" turned every dismal soul into a radiant, happy being. Grace Van Wormer portrayed the Pollyanna role with the cleverness of a veteran. Some of the other important parts were played by James Hendrix, Clark Howland, Lillian Haynie, and Rita Jones.

Three hundred and three actors, singers, and musicians participated in "The Nativity" arranged and directed by Mr. Otto. It was presented on the evenings of December eleventh and twelfth. This year's Christmas pageant was one of the most beautiful and impressive ever presented in a high school in Fresno.

By far the biggest dramatic adventure of the year was the successful presentation of the senior play, Frank Bacon's immortal "Lightnin'". As far as it is known, Roosevelt was the first High School to ever play "Lightnin'". A third evening performance was necessitated after many people were turned away from the door.

"Lightnin'", Bill Jones, played by James Whaley, was a character whose ever-changing temperament moved him alternately from good to bad, and who, long before the play had ended, had stolen every heart in the audience. He was supported by Edie Watts, who played very graciously the part of Mrs. Jones.

The lovers' roles were played by Maurine Estes and Walton Mariner. "Lightnin'" was not all love and laughter. Blaine Goodwin and A. V. Craig played the part of villains. Macie Dudley, the Judge in whose courtroom the villains were "discovered", found time to make a successful proposal to a flippant young divorcee, Amelia Radanovich. Zeb, aged and bent, who had a strange horror of the fair sex, was played by Le Roy Wood. George Tockstein, in the role of Sheriff Nevin Blodgett, had all he could do chasing down criminals and attending court. He was hindered in one instance by Oscar, played by Kenneth Brown.

Roosevelt presented the third act of "Macbeth", in the annual Shakespearean pageant, on April twenty-second, at Selma. The performance given by Roosevelt was judged to be the best.

This year's one-act plays, presented on the evening of May fourteenth and fifteenth, were well chosen and exceptionally well played. They were "The High Heart", "Confetti," and "Grandma Pulls the String".

The "High Heart" was founded on the story of a valiant, young Confederate spy, who having been captured by the opposing army, refused to tell the name of the traitor who had given him valuable plans. The young scout died because he would not tell that it was the father of the girl he loved who had given him the plans while in a revengeful mood.

Rollicking through their lives, and holding every ear and eye until the last speech had left their lips, the cast of "Grandma Pulls the String" made a very pleasing performance.

According to "Confetti", even the clowns and fairies in the land of make-believe have their little bits of trouble in love affairs.

Bright and early on the morning of October twenty-ninth, all students who had participated in any of Roosevelt's many dramatic productions assembled in the auditorium for an actors' breakfast. It proved to be such a happy affair that it will be repeated each year.

THE NAUTILUS

THE ADVANCED ORCHESTRA

In November, 1928, at the formal dedication of the Theodore Roosevelt High School, the orchestra, the oldest organization in the school, made its initial performance. At that time there were only nineteen members in the orchestra. Some of the original members have retained membership in the organization for the entire three years.

Today there are thirty-seven members, and next semester there will probably be about sixty-five. Most of the instruments used are owned by the students. However, there are a few that are owned by the school. Some of these are a sousaphone, the two bass viols, the two cellos, and the drums.

The orchestra, in conjunction with the Glee Clubs, has formed the tradition of giving a musicale once a year. This has become one of the outstanding performances of the year. Besides this musicale, the orchestra has played for every night entertainment given at the Roosevelt High School. It has also played for various luncheon clubs. Roosevelt's orchestra is thought to be one of the best in the county.

Much of this success is due to Mr. Wacaser, the director of the organization. It was through him a whole credit was given for orchestral work.

Another reason for the seemingly rapid advancement of the Orchestra is the fact that many of the students had worked under Mr. Wacaser in other Junior High School Orchestras. As a result the organization was well under way when they came to Roosevelt.

THE NAUTILUS

BAND

Roosevelt's Band made its initial appearance in the fall of nineteen hundred thirty, under the leadership of Mr. Leland Long. There were fifteen members at that time.

In appreciation of the support given at the football games, the student body purchased a set of basic instruments. With these they soon developed a balanced concert band and were able to render with confidence some of the world's best marches and overtures.

JUNIOR MUSIC ORGANIZATIONS

Knowing that each semester some of the members of the advanced musical organizations would be graduating, it was deemed wise to form junior groups in which beginners might be trained to take the places of those leaving. The Junior Band, which has for its leader Mr. Will Wacaser, made its first public appearance at an operetta given by the Winchell School. Mr. Wacaser has charge of the Junior Orchestra, also.

THE JAZZ ORCHESTRA

"Service" is surely the motto of "Teddy's Troubadors". No dance or party would be complete without this group which gladly gives its services that others may dance "the light fantastic toe". They themselves seem content if tendered a glass of punch and a wafer. All hail to the Jazz Orchestra and its director Mr. Long!

The membership of this organization includes Leader, Ray White; Clark Howland, Geraldine Badettscher, Dick Whitten, Roland Ferguson, Roy Powell, Charles Thomas, Jack Johnson, Woodrow Roberts, Clarence Gregory, and Tinsley Pryor.

THE NAUTILUS

ORATORY

Oratory made its debut at Roosevelt High School during the year of nineteen hundred twenty-nine and nineteen hundred thirty. The participants, having experienced a year of successful training, entered the various contests of nineteen hundred thirty and nine hundred thirty-one with renewed energy.

Ethel Scofield placed first in a local extemporaneous speaking contest, second in the County tryouts, and carried off third honors in the Valley finals at Taft.

Stuart McKelvey and Ernest Tuttle carried off honors in the preliminaries in the National Oratorical Contest. Stuart McKelvey placed second in the Times Semi-finals, held at Fresno High School.

Our representatives in the Fresno County Extemporaneous Reading-Contest were Harry Hayes, who placed second, and Evelyn Manderville, who placed third.

The sponsors of these contests were Miss Eleanor Evinger and Mr. A. P. Juhl.

This year's debating season found Roosevelt tied with Clovis for second place in Division II of the Fresno County High School League.

During the present year the Student Body adopted a system of granting awards to pupils taking part in forensic activities. This provides that a definte number of points be given for each contest. When a total of twelve points has been earned, a pin is awarded. For each additional twelve points earned, a pearl will be set in the pin.

Each year tryouts are held, and those being judged the best are given places on the debating squad.

"Where do you eat lunch?"

"Oh! I always eat at the Cafeteria. It is so convenient."

The Cafeteria was organized in the fall of 1928 under the supervision of Mr. Otto, Mrs. Botts and LeRoy Wood. It was the aim of the executive committee to establish a standard price which would be within the reach of every pocket. This price was set at five cents per dish and has never deviated from that amount.

The year 1930-31 was a very successful year for the Cafeteria. It served an average of one hundred and seventy-five eighteen-cent lunches each day. The Thanksgiving and Christmas dinners each brought more than three hundred twenty-five students past the steam table. "Can't you taste the Turkey, cranberry sauce, celery and all the fixin's! And no extra charge either!"

Although this year's financial standing is decidely stronger than last year's the Cafeteria needs the active support of the students.

THE SCHOOL STORE

A student, proudly displaying a new binder, or a new emblem!--"Where did you get it?" "Why, at the school store, of course."

Roosevelt established its school store in 1928. Its object is to operate, not only as a money—making department, but also to give real service to the school. The articles necessary for the students to use in their various courses are sold at a minimum profit. The proceeds of the store are made largely from the candy and other specialties, such as "beanies", letters, and megaphones. It is hard to believe that such a small store could have on display fully one hundred different varieties of candy. The aim of the school store is to carry everything that the student will need, so that he may buy his supplies with the least possible inconvenience to himself. It is hoped that the store will clear $1,000 by the end of this school year.

The staff for the year of 1929-1930 was: Jack Ham, Student Manager; Viola Toler, and Marjory Toler, Assistants. During the year 1930-1931 the staff was managed by Marjory Toler, with Viola Toler, Pauline Giguiere, and Dorothy Winters as assistants.

Miss Bartlett has been sponsor of the store during its three successful years.

VARSITY FOOTBALL

During the past football season, which was the second season of the organized sport, the Roosevelt Rough Riders showed up moderately well considering that they were in Division I of the county league. which included the cream of the crop of Fresno County schools, They finished in third place, trailing Fresno High and Selma. Under the policy of Coach Edwards' football system, no one man stood out, the team working in unison and thus getting much better results. Among the teams that they played, the Rough Riders beat Kingsburg, Sanger, Washington Union, Edison Tech, and Fresno Tech, while they lost games to the tough teams of Taft, Fresno High, Merced, and Selma.

LIGHTWEIGHT FOOTBALL

Entering upon its first venture in organized football, Roosevelt put out a lightweight football team this season under the tutorship of John David Morehouse, assistant coach at Roosevelt High.

Since no games were won by the lightweights, it could scarcely be termed a successful season. On the other hand, they did not lose all of their games, tying a couple of teams, including Selma, which was doped to "skunk" the bantams by a large score.

Hal Dwelle, who played alternate fullback and tackle, received wide recognition by scoring the lightweights' first and only touchdown against the Lemoore Midgets, who unfortunately won by a score of 7 to 6.

BASKETBALL

In one of the leanest of basketball seasons at the Rough Rider Institute during its history, the Varsity basketball team finished in the cellar of Division IV of the Fresno County League, which included Fresno High, Edison Tech, and Fresno Tech, all of which are Fresno City schools. They managed to win only one league encounter, that being against Edison Tech, who finished third.

The middleweights finished in third place in a race against the same schools, while the "peanuts," or the 110's, in other words, did very little better.

The Varsity was coached by Logan Edwards, head coach, as were the middleweights, while the "peanuts" were coached by Johnny Morehouse.

VARSITY TRACK

Track at Roosevelt this year has been very successful. In practically every dual meet this year they came out victors, losing only one meet, that being against the Fresno State College Frosh which has, probably, one of the most formidable aggregations in the San Joaquin valley this season. They also tied Visalia, another strong valley high school team, by a score of 77 to 77. With the exception of these two teams they won every other dual track meet, beating Reedley, Dinuba, Selma, Lemoore, Hanford, Coalinga, Corcoran, and Edison Tech. The track team also won the first trophy to ornament the trophy case, given the school by the February graduates, by winning the city meet, which included the schools of Fresno High, Fresno Tech, Edison Tech, and Roosevelt.

Varsity Track (Cont'd.)

However, the greatest thing that the Varsity track team accomplished up to the writing of this article was to tie for first place in the county meet with Selma at 36½ points each. However, if the judges had not ruled John Silva, our crack 440-yard man, out of that event, it would undoubtedly have been a different story to tell. The county ruling is that any man running in the 440, 880 or mile can not compete in any other event except the relay, but since Johnny competed in the 100-yard dash, he was automatically disqualified.

The team was coached by Johnny Morehouse, while those who composed the team were Captain Clarence Linstrum, Frank Beller, Dorsey Dwelle, Blaine Goodwin, John Silva, Phil Posson, Sloan Davis, Bill Hall, Clarence Gregory, Willard Sutten, Christy Stumbaugh, Marvin Murphy, Horace Ballow, Ralph Foster, Fred Love, Francis Connelly, Dick White, Ed Blackburn, Carroll Bon, Marvin Chelstrom, Sam Yeramian, Gordon Jones, Harold Weeden, Lee Tuthill, Wayne Fulton and Roy Clemens.

CLASS B TRACK

Although the year was not quite as successful a year as the Varsity, the Class B tracksters had quite a good season, nevertheless. They won a few dual track and field meets, and also won the annual city track and field meet. The team was coached by Johnny Morehouse as were the Varsity and Class C tracksters. As was the case in the Varsity, we did not know how the Class B men came out in the county and valley meets, since this article was written and run off on the press before these two respective meets.

The team was captained by Harris Ehat, while the principal point getters were: Barney Long, Warren Beck, and Bill Burby, who broke two city track and field meet records.

CLASS C TRACK

The Class C tracksters did not have such a successful season this year as they did last year, but many of the Class C men will be here to help the Class C and Class B men in their race for city and county honors next year. However, the younger boys made an unexpected showing in the city meet and were barely nosed out of first place by the Fresno High Midgets by two points and a half. This team was also coached by Johnny Morehouse. The team was captained by Wayne Dickman, while Hugo Kazato was the most outstanding athlete on the squad.

BASEBALL

Baseball, which has been Roosevelt's stronghold, ever since the organization of sports, was not quite as strong this year as it has been in the past. Nevertheless, it was by no means a "punk" team, because at the end of the regular season, they found themselves in a first place tie with Fresno High. This situation made it necessary for a play-off game, which we are sad to say, was won by Fresno High by the score of six to five, after a hard-fought battle. In the two previous games of the Fresno High series, the Rough Riders and the Warriors divided honors, Roosevelt winning the first game six to zero, while the Warriors turned the tables on the Roosevelt boys in the second game by a score of eleven to eight.

Leonard La Salle, mound ace of the Rough Riders, was, as in years gone by, the star of the team. In practically every game, he was effective and puzzling to opposing batsmen. Since this is going to press before the all-county teams are selected, it is impossible to tell if he will make the first string, but it is our popular belief that a team isn't all-county without him. Besides being a good pitcher, Leonard is one of the heaviest hitters on the Rough Rider squad. Bill Dame, center fielder, was, incidentally, the star batsman of the squad.

THE NAUTILUS

SQUAD LEADERS AND ATTENDANCE CAPTAINS

The most important people in the physical education classes are the squad leaders and Attendance Captains, who are responsible to Mrs. Turner and Miss Kaljian.

From eight to twelve are elected in each class. Each leader has ten or twelve girls in her squad. She keeps a daily record of the girls in her group, checking on attendance and costume. It is her duty to report all absentees to the head Attendance Captain who in turn reports to the office. The squad leaders are girls who show ability and good leadership.

GIRLS' INTRAMURAL SPORTS

From two to ten captains were elected from each of the physical education classes.

A schedule of games was made for each class by the team manager. Games were played over a period of six weeks, during the regular physical education periods. At the end of the six weeks the teams which had won class championship played each other after school to determine school championship.

HOCKEY

Hockey proved to be an exciting and popular sport. Ugly bumps raised on shins did not dampen the ardor of the girls.

The two outstanding teams in hockey were captained by Bessie Wood and Dorothy Winters. The winning team, captained by Bessie Wood, chose "Hotsie Totsies" for its team name and red for its color. The other team chose "Winter Green" for its name and green for its color.

SPEEDBALL

Two speedball tournaments took place during the spring, one in the Junior High School, and one in the Senior High School. Speedball is a new game for the girls in Roosevelt and much interest was shown in the games that were played before and after school.

The team captained by Dolores Raulston, of the first period class, was declared the High School champion after several exciting games. The Junior High School champions were the girls of the third period, captained by Dorothy Hooper.

GIRLS' BASKETBALL

School championship for girls' basketball was won by Mildred Draper's fourth period team, when they played Mary Cernokus' first period team after school. The teams were equally matched and played a hard and fast game. At the end of the game the score was 27-27. They were given three minutes to play off the tie. Three minutes of hard skillful playing and a well aimed shot by Mildred Draper won the game.

THE NAUTILUS

Chaffeur - Mrs. Miller, the car won't run. It must have a hoodoo on it!

Mrs. Miller - Oh, my! I thought it had every possible accessory. But I'll have one put on it.

• • •

Stenog. Cherry - Why did you so politely greet the man in that limousine?

Stenog. Estes - He's a colleague.

S. C. - What work does he do?

S. E. - He signs the letters I type every day.

UNCLE: In the spring, Johnny the Western Indians have a grass dance at which they bury their hatchet.
BOY: Good idea. I think I'll have one, too, and I'll bury the lawn mower.

• • •

He - What on earth are you applauding that woman for? I think she was terrible.

She - I know, but I like the gown she is wearing and I want to get a real good look at it.

• • •

The big charity dance was over at 3 A.M. and Miss Haynie stepped across the pavement to get into an auto. "Pardon, Miss," pleaded a tramp." Can you spare a starving man a quarter?"

"How utterly unreasonable you people are," she replied haughtily, "don't you know I've been on my feet all night dancing for you?"

• • •

Love - What big feet your new pup has!

Wood - Yeah, he's going to be a police dog when he grows up.

• • •

Mother: Jimmie! Let go of that cat this minute. I wish I could go through one whole day without once scolding or punishing you.
Jimmie: Well, you have my consent.

Margot - Mr. Rennick seems attracted by your layer cake.

Florence - Yes, he says it reminds him of geological strata.

• • •

Tuttle - And how can I detect the approach of an elephant?

Bon - By the odor of peanuts on his breath, of course!

Jim - So that famous forger died suddenly? What was the cause?

Fred - A doctor gave him a prescription for a dangerous drug and he couldn't resist raising the figures before having it filled.

• • •

Dick - Did you hear that Jack Johnson is earning $20 a night playing his fiddle? Just think $5 a string.

George - "He ought to play a harp."

• • •

"I beg your pardon, sir, but what is your name?" the teller politely asked the man presenting a check.

"Name," replied Stuart indignantly, "don't you see my signature on the check."

"I do," answered the teller. "That's what aroused my curiosity."

HUBBY: Pardon me, dear, but your stockings seem rather wrinkled.
WIFE: You brute! I have no stockings on

• • •

Rhymer White - You will notice the first two verses of my poem are laid in a cemetery.

Editor Wood - Yeah, that's where the whole poem should be.

• • •

Archie - And why do you call me Pilgrim?

Lucile - Well, every time you call you make a little progress.

• • •

Guide - Why didn't you shoot at that tiger?

Dahne - er-er, he didn't have the right kind of expression for a rug.

• • •

Art teacher - So you don't care for this futuristic art?

Math teacher - No. Let the people of the future enjoy it.

• • •

"What do you think of our stadium?"

"It is certainly wonderful. And now I would like to go through the curriculum. They say you have a fine one here."
